Dear Steven M. Sciotto:

We are pleased to inform you that The Port Authority of New York & New Jersey has certified your business to participate in the agency's Service-Disabled Veteran-Owned Business (SDVOB) Program in the procurement category for General Management Consulting Services. **Radionetcom, Inc.**, is now included in the Port Authority's on-line directory of certified SDVOBs, which can be accessed at:

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Diversity, Equity and Inclusion in writing within 30 days of any significant changes to your business. Such changes include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for a maximum period of three years, or until May 25, 2025, after which you must submit a SDVOB recertification application, with supporting documentation. The application can be accessed from our Web site: www.panynjSD.com
